Mayor's Charity Fundraising Dinner Success

The Mayor of Ripley, Councillor Paul Lobley held his charity fundraising event on 26th February. The venue was the Sea Fish restaurant on Cromford Road in the town.

All money raised from the evening through ticket sales, donations and the raffle was donated to Derbyshire Carers Association which is the Mayors chosen charity.

Councillor Lobley said, 'I was delighted to see so many people attend this charity event to support such an important and worthwhile organisation. The

money raised will go to provide additional benefits for unpaid family carers in the county.'

He added, 'I would like to thank the brilliant staff at Sea Fish Ripley for their kindness and generosity for hosting this event. Also, thank you to everyone who attended, made donations and purchased raffle tickets.'

The Search For Derbyshire's Police Officer Of The Year Has Begun.

The Chief Constable, Peter Goodman, is asking anyone who has had dealings with the police during the past 12 months to nominate their favourite officer.

Mr Goodman is also looking for nominations for the best Safer Neighbourhood team in the county and the best Police Community Support Officer.

It's a service we all rely on and it's the staff and hundreds of volunteers who day after day often leave us with a lasting impression. Here we explain how you can take part and what a difference a thank you can make.

How can you nominate these wonderful people?

Community Police Officer of the Year - any police officer who has touched you and made a difference to your life. It is open to any police officer serving in the force, including officers working on community beats, with young people, traffic, general patrol, CID or in any other department.

Police Community Support Officer of the Year - there will be PCSOs all of whom have done something absolutely outstanding that has really made a difference to your life and improved upon
